

FRIENDS OF THE RSPCAPNG (v.d.010121)

The Royal Society for the Prevention of Cruelty to Animals Papua New Guinea Inc. is a charitable not-for-profit organisation committed to the promotion of the welfare of 'all creatures great and small' through -

- The prevention of cruelty to all animals
- The promotion of responsible ownership and management of all animals
- The education of all people into the needs and care of all animals being;
 - pets or companion animals
 - commercial or farmed animals
 - working and performing animals
 - wild creatures, either in captivity or in the wild

The RSPCAPNG believes all animals have the right to:

- freedom from hunger or thirst
- freedom from exposure to excessive heat or cold
- freedom from disease
- freedom from pain and suffering
- freedom to move and behave normally

The RSPCAPNG operates the RSPCAPNG Veterinary Clinic & Animal Shelter on Waigani Drive providing veterinary care and assistance to all animals. The RSPCAPNG Veterinary Clinic is a non-profit organisation with all proceeds going towards the animal welfare and education awareness programmes.

The RSPCAPNG will pursue reported cases of cruelty to animals and, where possible, prosecute offenders under part IV of the Animals Act. Rescued and abandoned animals are taken into the RSPCAPNG Shelter and when possible nursed back to health, before being offered for re-homing.

The RSPCAPNG Veterinary Clinic offers boarding facilities for companion animals, and will assist with re-homing animals when owners are no longer able to take care of them. All cats and dogs offered for adoption by the RSPCAPNG will have been de-sexed, vaccinated and treated for internal and external parasites.

Annual membership of the RSPCAPNG costs K20.00, but larger amounts as donations are much appreciated. Members promote the work and policies of the RSPCAPNG in the community, and help to prevent cruelty to animals by reporting neglect or mistreatment. Become a Friend of the RSPCAPNG and help by supporting, volunteering, attending and voting in the Annual General Meeting and attending the various annual charity events held by the society.
